**Iron Cotton Ties** In view of the constantly increasing popularity and demand for the celebrated ARROW TIE, the universally recognized favorite Tie of Planters, Cotton Pressnen and shippers of cotton generally, the McComb Tie Company, of New York, sole proprietors and manufacturers of said Tie, commanding unequaled facilities, have, in addition to their large stock on hand, contracted for increased quantities, sufficient to meet the largest demand for Cotton Ties to cover the entire crop of the coming season, and now, through their Agents generally, offer the popular and irrepressible ARROW TIE at the lowest market price, in bundles complete, it being the purpose of the Company to merit the continued patronage of the planting community, and defy all competition that may arise. The buckles are now securely riveted to the band, thus preventing the loss of same in shipping, and making a stronger Tie.
